

Model: ILLUMIC Crown Lights
Serial #: N/A

Oct. 29, 2025

Product Bulletin # CLS-002 Rev 1

ILLUMIC Safety Securement Improvement

To enhance overall safety and reliability, the adjustment pin on the pivot mount has been upgraded with a new safety securement upgrade kit. This improvement provides a more robust method of securement compared to the previous version.

Recommendation

Replace top adjustment pin on the pivot mount with new safety securement upgrade kit. Contact Canrig Part Sales (part.sales@canrig.com) to order the new kit, see Table 1 below. See drawing for instructions on how to install safety securement to adjustment pin.

Table 1: AY29498 – KIT, SAFETY SECUREMENT UPGRADE, PIVOT MOUNT

Canrig P/N	Description	Notes
AY29498	KIT, SAFETY SECUREMENT UPGRADE, PIVOT MOUNT	One kit is required per light. For 11 lights, order quantity 11 of kit P/N AY29498.
