Upgrade of Rechargeable Battery Pack #5033019

Canrig has released the upgraded rechargeable Battery Pack #5033019.

The upgraded version ensures that a consistent electrical contact with affected equipment is maintained at all times.

For ordering information contact truesupport@canrig.com.

Affected Equipment

The Battery Pack #5033019 powers the following Canrig equipment:

- TesTORK Subs – Gen 1.0 and Gen 1.5
- Multi Plug Launching Systems (MPLS)
- Link Tilt Interlock Kits #5070832 and #5071268 for T350 & T250 Top Drives
